REMARKS/ARGUMENTS

After entry of this paper and elections, claims 1-27 are pending. Claims 1-12 drawn to a process of treating acne and/or hirsutism by administering a composition comprising compounds of formula I are elected as noted above, without traverse, Claims 13-27 are withdrawn, without prejudice, as being drawn to non-elected subject matter. Applicants reserve the right to prosecute these claims in a divisional application filed during the pendency of this application.

Claim 8 is amended to delete reference to a compound which is already recited in pending claim 9.

The Director is hereby authorized to charge any deficiency in any fees due with the filing of this paper or during the pendency of this application, or credit any overpayment in any fees to our Deposit Account Number 08-3040.

Respectfully submitted,

HOWSON AND HOWSON
